GOVERNMENT OF ANDHRA PRADESH

ABSTRACT

CONSUMER AFFAIRS, FOOD & CIVIL SUPPLIES(CS.I) DEPARTMENT

G.O.Ms.No. 20  Dated:12.09.2018

Read the following:

1) A.P.R.P.(Levy) Order, 1984

***

ORDER:

With a view to ensure payment of Minimum Support Price to the farmers and to improve outreach of procurement system to the farm gate for their better coverage, and to avoid exploitation of farmers by the millers/ traders, to ensure all the States in the country to acquire self sufficiency in procuring rice for Targeted Public Distribution System (TPDS) and Other welfare Schemes (OWS), De-Centralized Procurement (DCP) has been taken up in the entire State w.e.f., 1st October, 2015.

2. As per the De-Centralized Procurement scheme and MoU executed with Govt. of India, from the KMS 2015-16 onwards, the State Govt. shall procure Paddy, mill the paddy and retain the resultant raw rice for TPDS and Other Welfare Schemes as per allocation made by the Central Government and hand over the excess rice either raw or boiled to the Food Corporation of India for central pool. A MoU has been signed with the Govt. of India for procurement of paddy / rice under DCP scheme from KMS 2015-16 (i.e., 01.10.2015) onwards.
3. The following orders are issued as “Procurement Policy” for the Kharif Marketing Season 2018-19.

4. The Minimum Support Prices (MSP) fixed by Government of India for the KMS 2018-19 are as follows, read GoI letter 4th cited.

   Price per Quintal of Fair Average Quality of paddy
   Grade “A”: Rs.1,770/-
   Common: Rs.1,750/-

5. The FAQ specifications for paddy and rice prescribed by the Govt. of India vide GoI letter read 5th above are enclosed as Annexure-I & II.

6. The estimated annual requirement of raw rice for TPDS/Other Welfare Schemes with 3 months buffer is 36.00 lakh MTs and this quantity of rice has to be procured through CMR route only. For this purpose the APSCSCL has to procure about 53.00 lakh MT paddy from farmers, custom mill it and retain the raw rice for TPDS and other welfare schemes in the State.

7. The objective of operating the Paddy Purchase Centers is to ensure Minimum Support Price to the farmers at their nearest place as far as possible. The AP State Civil Supplies Corporation Ltd., shall open as many purchase centres as required for purchasing paddy from the farmers at MSP by getting them opened through Women Self Help Groups (Velugu), PACS, DCMSs etc., in all the paddy growing districts. The AP State Civil Supplies Corporation Ltd. shall also ensure that adequate gunnies, other equipment are available at the purchase centres.

8. The AP State Civil Supplies Corporation Ltd. shall invariably make payments to the farmers for the paddy purchased direct to the bank accounts of the farmers by electronic mode through RTGS/NEFT. The entire transactions of paddy purchases, payment made to farmers, transportation of paddy, paddy delivered to the mills, CMR delivered by the rice mills, etc. shall be monitored online on real time basis. The daily information shall be monitored and informed to the Commissioner of Civil Supplies.
9. The millers may also purchase paddy of FAQ at a price not less than the Minimum Support Price. They shall invariably make payment to the farmers direct to the bank accounts of farmers through RTGS or A/c payee cheques.

10. As per the Govt. of India orders, the millers need not deliver rice under levy. The millers shall maintain the details of paddy purchased, rice produced, sold, balance stock etc., duly computerized in real time in form ‘A’ and ‘B’ registers prescribed in the A.P. Rice Procurement (Levy) Order, 1984 and make available online for verification.

11. Every miller shall maintain and submit online true accounts indicating the total transactions of custom milling right from receipt of paddy, paddy milled, CMR delivered and balance stocks available at the end of the day in Form-A1 indicating the details of Custom milling for the paddy of persons other than Govt. agencies for and in form A2 for the indicating the details of Custom milling for the paddy received from the Govt. agencies.

12. Every miller shall maintain separate account for the stock of paddy purchased on his own account, paddy milled, rice produced, sold within or outside state etc., in Form-B and submit online report to the concerned authority.

13. As there is no levy, the entire quantity produced by the millers is levy free. Millers can sell / move the Non-preferred varieties of rice anywhere in the country without any permit.

14. In view of high demand for superfine preferred varieties of rice in the state, and to ensure that prices of preferred varieties of rice are available at affordable rate in the open market in the State, the superfine preferred varieties of rice shall be sold in 2:1 ratio between within and outside the State. For sale / movement of superfine preferred varieties rice within the state, no release certificate/ permit is required by the miller. For sale / movement of superfine preferred varieties rice outside the State, the miller shall take release certificate from the district administration consequent on sale of 2 units of rice within the state for sale of 1 unit of rice out side the state.
15. The A.P. State Civil Supplies Corporation Ltd., shall make necessary arrangements for procurement of paddy at MSP and retain the resultant CMR raw rice from out of the paddy procured in the entire State for TPDS/OWS and deliver the boiled rice and excess raw rice of CMR to the Food Corporation of India for the Central pool. The FCI shall also purchase paddy at MSP as offered to them. The procurement of paddy shall be done on large scale to ensure MSP to farmers. The AP State Civil Supplies Corporation Ltd., shall commence MSP operations w.e.f. 01.10.2018 by opening adequate number of purchase centers.

16. The V C & MD., APSCSCL shall make necessary arrangements

- for opening of paddy purchase centres as many as required.
- Identification and tagging of rice mills to the PPCs for custom milling and delivery of CMR.
- Transport arrangements for immediate shifting of paddy to the rice mills or to the intermediary godowns if necessary.
- Identification and hiring of SWC / CWC/ FCI / Marketing godowns for storage of CMR.
- Private scientific Godowns, if necessary, may also be hired for storage of CMR.
- Appointing required Technical, Accounts and other maintenance staff on outsourcing/ retired persons from FCI / APSCSCL at the godowns for receiving CMR as per FAQ specifications and for proper storage.
- Advance plan and agreements with Railways for transport of rice from surplus districts to the deficit districts.

17. The A.P. State Civil Supplies Corporation Ltd., shall move the paddy procured at PPCs to the rice mills simultaneously for custom milling and delivering raw rice to the AP State Civil Supplies Corporation Ltd., boiled rice and excess raw rice as ordered by the Govt./ Commissioner of Civil Supplies to the FCI. If for any reason, there is delay in the transportation of paddy to the rice mills and it becomes inevitable and unavoidable, they may transport the paddy to the intermediary storage points for storing in the CAP storage model.
with a view to protect the stocks from vagaries of nature, and avoid deterioration of quality.

18. The paddy like IR 64, MTU 1010(long grain) which is not preferred to eat by the people of Andhra Pradesh, if any procured under MSP operations, the resultant CMR can be sold out by the VC & MD., APSCSCL in the open market within or outside the state and to export.

19. The AP State Civil Supplies Corporation Ltd. shall also monitor on a day to day basis, the paddy handed over to the mills for custom milling, CMR delivered to them and to the FCI, the quantity of rice yet to be delivered etc., and submit the details to the Commissioner of Civil Supplies.

20. The VC & MD, AP State Civil Supplies Corporation Ltd. shall take action to ensure that raw rice as delivered under CMR is accepted by having adequate godown space at MLS points and other buffer godowns. He / She shall be in constant contact with the SWC, CWC, Marketing Dept. etc. and take action to get the godown space placed at their possession; in case suitable scientific private godowns are available, they may also be taken on lease/rent. He / She shall also explore the possibility of godown construction on own and private entrepreneurs under PEG schemes etc. for taking on 7 years/5 years/2 years guarantee. Under no circumstances should there be any non-receipt of CMR raw rice by the AP State Civil Supplies Corporation Ltd. for want of godown space.

21. The Swarna (MTU 7029) variety rice procured under CMR in the Procuring districts like Srikakalam, E.G., W.G., Krishna, after meeting the requirements of districts, the surplus Swarna variety rice shall be moved to other districts for use in the Mid-day-Meals, Social Welfare hostels, Anganwadi centres and other welfare schemes. The Swarna variety rice shall also be earmarked and used for fortification of rice. The transportation shall be taken up at an optimal movement.

22. The CMR raw rice retained by the AP State Civil Supplies Corporation Ltd. shall be utilized for the PDS and Other Welfare Schemes in the State. If the rice stocks procured is in excess of the requirement for PDS / OWS, such excess stocks shall be delivered to the FCI. The deficit raw rice for the requirements would be made available by the FCI as per the terms and conditions of the De-Centralised Procurement.
23. The Rice Millers shall undertake custom milling of paddy, as and when the farmers bring the paddy to the rice mills, keeping in view the explanation under clause 10(1) of the A.P. Rice Procurement (Levy) Order, 1984 at the rate stipulated or on mutually agreed terms/conditions between the millers and the farmers. Failure to deliver, misappropriation, etc., the millers are liable for prosecution, black listing, etc.

24. The Rice Millers shall undertake custom milling of paddy procured by the State Government Agencies and Food Corporation of India, as per the agreed terms and conditions and at the rates and norms fixed by the Government of India as stipulated in clause 9(1) of the A.P. Rice Procurement (Levy) Order, 1984. The Collectors may allot the paddy purchased at the Purchase centres of women Self Help Groups (Velugu) / DCMS / PACSs / GCCs / Market Yards etc., to rice mills for immediate custom milling without storage of the paddy. The rice millers shall commence milling of paddy received from the PPCs within a week from the date and time of receipt and shall complete custom milling of paddy and deliver the resultant rice, within 15 days, either as raw rice or boiled rice to the APSCSCL / FCI, as prescribed by the Government or the APSCSCL for the paddy handed over by the A.P. State Civil Supplies Corporation Ltd. The Collectors shall review the entire process of custom milling operations regularly and take necessary action against the rice millers, who fail to do custom milling of paddy procured by the A.P. State Civil Supplies Corporation Ltd.

25. It shall be the responsibility of the Collector (CS) to ensure that the CMR rice is delivered by the rice millers as expeditiously as possible. The APSCSCL shall monitor the delivery of CMR rice on daily basis and ensure that the delivery of CMR rice is made promptly. If there are any issues, they shall be brought to the notice of the Commissioner of Civil Supplies or the Collector concerned for immediate assistance / redressal.

26. In case of any delay in custom milling of paddy due to non-availability of adequate rice milling capacity in the district, non-availability of godown space, due to non-provision of railway rakes and also with a view to facilitate early delivery of CMR rice, the paddy may be transported from the paddy procured district to the rice mills directly in other districts by the Collectors concerned in consultation with the Collectors of the districts to which paddy is proposed to be moved. The expenditure incurred by the A.P. State Civil Supplies
Corporation Ltd., shall be booked to the MSP operations of paddy and the same shall be included in the audited accounts of KMS 2018-19, so that the Government of India will be requested for reimbursement of the same.

27. The Commissioner of Marketing shall issue instructions to all the Secretaries of AMCs to prepare a contingency plan well in advance to tackle the paddy arrivals, for smooth market operations during the season to get the equipment / machinery available with the AMCs in working condition, to maintain log books for each equipment, to make a note of the usage particulars and to take into account the equipments / machinery available with the nearby markets (Non-functional) and with self help group centres while planning for procurement of additional equipment to meet the seasonal requirement. The Godown space available in the AMCs should also be kept ready for occupation and wide publicity should be given about MSP rates, equipments and godown space available with AMCs.

28. The Marketing Department will provide required number of Moisture meters, Tarpaulins, Paddy cleaners, Winnowing machines, etc., equipment to be determined with reference to the past performance and to make them available at all the Purchase Centres operated by Velugu / DCMS / PACSs / GCCs / Market Yards without fail. One additional Moisture meter per PPC should also be provided to the progressive group of farmers / S.H.Gs / Gram Panchayats to enable the farmers to check the moisture contents of the paddy before they bring the paddy to the purchase centres for sale.

29. The Collectors shall fix uniform Hamali charges in the entire district by conducting meeting with the Hamali Unions, Secretaries of AMCs and Procuring Agencies. The Handling Charges should include weigment, stitching and stacking / loading at PPCs / AMCs. The Hamali Charges, thus, fixed will have to be borne by the buyers of the stocks at PPCs / AMCs including the State Procuring Agencies.

30. The Collectors shall constitute a District Procurement Committee with the Joint Collector as Chairman with District Level officials of all connected departments, namely, Agriculture, Marketing, Cooperative, Civil Supplies, Transport, DRDA, ITDA, I & PR, Warehousing Agencies (CWC, SWC), Procurement Agencies (FCI, APSCSCL) and also Sub-Collectors / RDOs as members to coordinate and decide on all the activities and monitor the work on day-to-day basis as per the operational guidelines.
31. The District Supply Officer shall tag the PPCs for shifting of paddy procured to the nearest rice mills. Only in exceptional cases, such as non-availability of Rice Mills, or the existing Mills are not in working condition, or the paddy procured is over and above exceeding the milling capacity of the nearby mills, and in order to avoid damage of the paddy due to rains, pests, insects etc and also to avoid delay in milling and to obtain the CMR at the earliest, the paddy procured at PPCs may be transported to the mills of beyond 8 KMs. Rice mills shall be selected based on the milling capacity and past performance in custom milling operations. Paddy shall be allotted to the rice mills for custom milling and delivery of CMR strictly as per the milling capacity of rice mills and obtain MOU from the designated rice mills in the prescribed format along with Bank Guarantees @ CMR Cost 1:1.5 before commencement of Kharif 2018-19 and handover the same to DM, CSC to file the same in DM Office.

32. The Collectors shall ensure that the enforcement officials and any other teams as prescribed by the district administration inspect the rice mills periodically to ensure that the paddy handed over for custom milling is stored under proper conditions, milling of paddy, delivery of CMR, balance stock available etc., and to take immediate action if any discrepancy is noticed.

33. If any shortage in stocks is found, the miller is liable to pay one and half time (1 ½) the value of stock in shortage and also liable for criminal action for criminal breach of trust and misappropriation of govt. stocks under section 405, 420 of IPC, etc.

34. The enforcement officials shall also ensure that millers made payment to the farmers at not less than the MSP through A/C payee cheques or RTGS transfer by conducting random verifications.

35. The enforcement officials shall also follow and take action as per the provisions of the Andhra Pradesh State Targeted Public Distribution System (Control) Order, 2018 in respect of recycling, diversion and other wise mis-utilization of the PDS rice.

36. Wide publicity of the location of the paddy purchase centres, specifications of FAQ paddy, MSP and prescribed value cuts for the non-FAQ paddy shall be given through press, pamphlets, leaflets, and electronic media besides organizing extensive training programmes for the farmers through the Agriculture Extension Staff / Quality Control Officials out of the funds earmarked by Marketing Department in this regard and other funds available at their disposal.
37. Detailed operational guidelines are enclosed in Annexure-. The Government or the Commissioner of Civil Supplies may issue any further guidelines or orders from time to time to ensure uninterrupted procurement of paddy and CMR.

38. A copy of this order is available on the internet and can be accessed at the address- www.ap.gov.in; http://goir.ap.gov.in

(BY ORDER AND IN THE NAME OF THE GOVERNOR OF ANDHRA PRADESH)

//FORWARDED ::BY ORDER//

SECTION OFFICER
:: ANNEXURE - I ::

UNIFORM SPECIFICATION OF ALL VARIETIES OF PADDY
(KHARIF MARKETING SEASON 2018-19)

(GoI.Lr.No.8-3/2018-S&I, dt.21.08.2018 of the Deputy Commissioner
(S&R), Mininstry of CA, F & PD, Dept. of F & PD, Krishi Bhavan, New Delhi.)

Paddy shall be in sound merchantable condition, dry, clean,
wholesome of good food value, uniform in colour and size of grains
and free from moulds, weevils, obnoxious smell, *Argemone maxicana*,
*Lathyrus sativus* (Khesari) and admixture of deleterious substances.

Paddy will be classified into Grade 'A' and Common groups.

Schedule of specification

* Not more than 1% by weight shall be small brokens.
** Not more than 0.25% by weight shall be mineral matter and not more than 0.10% by weight shall be impurities of animal origin.

# Including pin point damaged grains.

@ Rice (both Raw & Parboiled/Single Parboiled) can be procured with moisture content upto maximum limit of 15% with value cut. There will be no value cut upto 14%. Between 14% to 15% moisture, value cut will be applicable at the rate of full value.
NOTES APPLICABLE TO THE SPECIFICATION OF GRADE 'A' AND COMMON VARIETIES OF RICE

1. The definition of the above refractions and method of analysis are to be followed as given in Bureau of Indian Standard "Method of analysis for Foodgrains" No's IS : 4333 (Part-I) 1996 and IS : 4333 (Part - II) 2002" Terminology for Foodgrains" IS : 2813 - 1995 as amended from time to time. Dehusked grains are rice kernels whole or broken which have more than ¼ of the surface area of the kernel covered with the bran and determined as follows:-

ANALYSIS PROCEDURE:

Take 5 grams of rice (sound head rice and broken) in a petri dish (80X70 mm). Dip the grains in about 20 ml. of Methylene Blue solution (0.05% by weight in distilled water) and allow stand to for about one minute. Decant the Methylene Blue solution. Give a swirl wash with about 20 ml of dilute hydrochloric acid (5% solution by volume in distilled water). Give a swirl wash with water and pour about 20 ml of Metanil Yellow solution (0.05% by weight in distilled water) on the blue stained grains and allow to stand for about one minute. Decant the effluent and wash with fresh water twice. Keep the stained grains under fresh water and count the dehusked grains. Count the total number of grains in 5 grams of sample under analysis. Three broken are counted as one whole grain.

CALCULATIONS:

\[ \text{Percentage of Dehusked grains} = \frac{N \times 100}{W} \]

Where \( N \) = Number of dehusked grains in 5 grams of sample
\( W \) = Total grains in 5 grams of sample.

2. The Method of sampling is to be followed as given in Bureau of Indian Standard "Method of sampling of Cereals and Pulses" No IS : 14818- 2000 as amended from time to time.

3. Brokens less than 1/8th of the size of full kernels will be treated as organic foreign matter. For determination of the size of the brokens average length of the principal class of rice should be taken into account.

4. Inorganic foreign matter shall not exceed 0.25% in any lot, if it is more, the stocks should be cleaned and brought within the limit.
Kernels or pieces of kernels having mud sticking on surface of rice, shall be treated as Inorganic foreign matter.

5. In case of rice prepared by pressure parboiling technique, it will be ensured that correct process of parboiling is adopted i.e. pressure applied, the time for which pressure is applied, proper gelatinisation, aeration and drying before milling are adequate so that the colour and cooking time of parboiled rice are good and free from encrustation of the grains.
STANDARDS OF RICE FOR ISSUE TO STATE GOVERNMENTS/UT ADMINISTRATIONS FOR DISTRIBUTION UNDER TPDS AND OTHER WEFARE SCHEMES.

Guidelines for issue/disposal of wheat and rice have been issued vide Department letter No.8-2/98-DR III dated 27.01.1998 and 13.11.1998. Gist of standards of rice for issue to State/UTs for distribution under TPDS and OWSs alongwith updated illustrations for KMS 2018-19 is as under:

1. Ready issuable stocks are fit for human consumption which should conform the standards of Food Safety and Standards Act and Rule framed there under.

2. Rice stocks falling within A,B & C categories (categorization is based on damaged and discoloured grains) conforming to food safety norms and free from insect infestation are ready stocks. Ready stocks may be issued under TPDS and OWSs provided the refractions in respect of broken grains, chalky grains, red grains and dehusked grains are upto 20% in excess of the uniform specifications.

Illustration of maximum permissible parameters of ready to issue stocks of rice based on uniform specifications for KMS 2018-19 is as under:

:: ANNEXURE - III ::

GOVERNMENT OF ANDHRA PRADESH
CONSUMER AFFAIRS, FOOD AND CIVIL SUPPLIES DEPARTMENT

DECENTRALISED PROCUREMENT
OF PADDY AND RICE

IN

ANDHRA PRADESH
DURING KHARIF MARKETING SEASON (KMS) 2018-19

OPERATIONAL GUIDELINES

Measures required to be taken by the AP State Civil
Supplies Corporation Ltd. in coordination with the Joint
Collectors:

- Wide publicity of the MSP for paddy for Common and Grade
  A along with the specifications prescribed for getting MSP
  through print and electronic media, tom tom (beat of drum)
  and through pamphlets/ leaflets, posters etc.;

- Paddy shall be purchased from the farmers directly by
  eliminating the middlemen.

- The registration of farmers has been started from KMS
  2014-15 at respective PPCs and new farmers if any leftover
  during the last season may register this year KMS 2018-19
  and the process may be undertaken.

- The documents like Pattadar Pass Book, letter from the
  Village Revenue Officer about tenancy and area covered
  under the paddy are to be produced by him in his land while
  registration.
• The land details and its ownership/tenancy shall be verified with reference to the web land portal of the Revenue department.

• The farmer land extent should not exceed 10 Hectares and those farmers exceed the limit have to obtain permission from the concerned District Manager to sell their paddy at PPCs. However, the TCS will create an option in the software to alert in the DMs login for smooth functioning of paddy operations.

• The Chief Commissioner of Land Administration (CCLA) shall be addressed to provide access to the data bank of land details contained in the web land portal and epanta for crop details.

• Paddy at MSP shall not be accepted at Paddy Purchase centres from the millers and dealers;

• Identification of sub-agencies for procurement of paddy like Velugu (Women Self Help Groups), PACs, DCMSs, etc. In consultation with the Joint Collectors.

• Identification of areas for opening the exclusive Paddy Purchase centres in addition to the AMCs;

• Assess and position the required number of gunnies and suthli at each of the purchase centre;

• Availability of equipment like Paddy Cleaners, drying machines, Winnowing machines, sieves, moisture meters, calipers etc. which are required for MSP operation.

• Assistance/Support from the Marketing Department to be taken for getting equipment at AMCs / purchase centres.

• Marketing Department shall assess the requirement of equipment required at all the PPCs, present availability and make available the balance to the PPCs etc.

• At each Paddy Purchase centre one technical assistant for quality analysis and certification shall be positioned by the Agriculture Dept.
• Position the staff required for taking samples for analysis of the quality and its acceptance and helpers and others;

• Assess the quantity of paddy likely to arrive at each of the purchase centre depending upon the paddy crop area and estimated production.

• Prepare the schedule to regulate arrival of paddy from villages/areas nearer to the purchase centre so that there is no stampede / congestion at the purchase centre;

• Farm gate purchases of paddy shall be done with the support of Tabs compatible to feed data and to generate purchase voucher and truck chit at field level. This will also record the geo coordinates of the agricultural fields from which purchases are being made.

• Storage arrangements at the purchase centre like tarpaulin etc to cover them till paddy is moved to mills;

• Transport agencies to make available adequate transport fleet;

• Permission to millers/farmers who want to transport the paddy from PPC on their own for custom milling;

• Rice Mills to be identified for doing custom milling of paddy and delivering raw rice to the APSCSCL and boiled rice and excess raw rice directly to the FCI on behalf of the APSCSCL;

• Purchase centres to be tagged on to the rice mills;

• Wherever inevitable and unavoidable, interim storage for paddy to be identified and CAP storage technology to be adopted;

• Payment to the farmers to be done within 48 hours online directly through RTGS to the farmers account through integrated banking system.

• The mandi labour charges like filling and placing the unit on the weighing machine; weighment; unloading from the
balance, stitching of bags, loading, marking and temporary stacking at PPC should be borne from out of the Mandi labour charges provided in the costing sheet. If the cost is more than the charges permitted in the cost sheet, the balance shall be borne by the farmer, who delivers paddy to the APSCSCL.

- The mandi labour charges shall pass on to the agencies who undertakes the handling of paddy stocks at PPCs and the amounts should be passed on to the genuine persons.

- The possibility to have RFID tags to the CMR bags may also be explored gradually to ensure that there is no scope for recycling of PDS rice at any stage.

- APSCSCL shall enhance the capacity of the MLS point godowns;

- Godown requirement shall be assessed for receiving the CMR raw rice for State's PDS;

- Available Godowns of the SWC, CWC, Marketing Department etc. and scientific godowns of the private parties should be taken;

- APSCSCL to be in constant contact with the SWC, CWC, Marketing Department for taking over the new godowns and also to make a request to the concerned for reservation of the godown space to be created either by dehiring them or from new construction.

- APSCSCL shall take action to construct buffer godowns either on their own or getting them constructed through other sources wherever needed by adopting modern technology. In the alternative, expression of Interest to be obtained for construction of godowns at required places by the interested parties for taking on rent / lease by the AP State Civil Supplies Corporation on 10 years/ 7 years/5 years/2 years guarantee.

- One agency shall be entrusted with the study of construction of godowns by following the procedure for appointing such consultancy.
- Godowns shall provide space to have access for the trucks coming for delivery of rice apart from weighing machines/beam scales;

- Adequate movement space for carrying on the operations by the hamalies and staff to be available in the godowns.

- Required technical staff to be positioned by the AP State Civil Supplies Corporation by engaging the staff on deputation from the FCI, utilization of services of the retired officials from FCI/CS Corporation and hiring on contract basis so as not to hamper procurement operations due to lack of staff.

- The required staff shall be taken from the outsourcing; but, after the season is over, the surplus staff shall be terminated.

- Necessary staff like Technical, Accounts and the supporting staff shall be deployed in the godowns and they shall be under the supervision of the Godown in charges.

- Over and above the Quality staff provided by the FCI on deputation and from retired employees, the balance required staff shall be taken from the out-sourcing;

- Samples taken shall be analysed to ensure that rice is as per specifications;

- Payment to be made to the rice millers through "Online" RTGS system.

- Proper weighment at the time of receipt and issue is essential.

**CUSTODY AND MAINTENANCE OF STOCKS OF PADDY / RICE:**

- The District Administration shall declare every trading Rice Mill as Storage Points for storing of paddy for custom milling.
• The paddy shall be supplied to the designated Rice Mills for undertaking custom milling on behalf of APSCSCL.

• The Rice Millers shall be made responsible to receive the paddy stocks, storage and maintenance until entire custom milling is completed during the season.

• All the incidentals right from receipt of stocks and completion of custom milling have to be borne by the respective rice mills only. As such the custodian & maintenance charges as admissible as per provisional costing sheet of GOI will be passed on to the respective rice mills on account of declaring as storage points.

• The Supervisory Officers viz., ASO, MCSO, RI, appointed by Collector (CS), shall physically verify the paddy / CMR stocks in the premises of designated rice mills periodically by every week and submit the PV reports to the District Collector(CS).

• In case of non-availability of paddy / rice during inspection by any inspecting authority, it amounts to criminal breach of trust and misappropriation of Govt. stocks and action shall be taken under IPC.

• Any seizure of the stocks and filing report by the Enforcement Officer before the Collector, if there is any paddy and Rice under the CMR Scheme belonging to the APSCSCL, the Collector shall immediately order for release of the paddy and Rice under CMR to the District Manager, APSCSCL concerned.

• In case, the paddy is issued to the rice mills for milling from intermediary storage points hired by APSCSCL, then the APSCSCL shall retain the custodian & maintenance charges as admissible as per GOI costing sheet will be retained by PSCSCL.

• Proper dunnage at the godowns to be done;

• Custody and Maintenance system to be followed as per the Warehousing norms;
• Stacking to be done properly as per the standard norms being adopted in the FCI godowns;

• Stock procured under CMR to be verified physically before issue under PDS or any other schemes by the team consisting of District Manager and Assistant Manager (Technical) to ensure quality as per the specifications.

• FIFO (First-in-First Out) for delivery of rice for PDS and other schemes to be followed;

• Tags for the stacks as required under the godown procedure to be followed;

• Preservation methods for storage of stocks to be followed;

• Fumigation, spraying etc. should be done as per the time schedule prescribed as per the quality maintenance norms;

• Accounting system should be fool proof. Receipt and issue of stocks to be properly maintained.

• Weighment of stocks shall be done both at the time of receipt and issue.

• Transport Contractors shall be held responsible for short delivery.

• Recovery of cost for short delivery of rice shall be made as per the Contract/agreement.

• Wherever facility is available, computerization of accounts to be done immediately. In other places, it shall be done in a time bound manner.

• Godown staff shall be responsible for proper accounting of the stocks, payment process and maintenance of stocks.

• District Manager and other superior officials including the Revenue Divisional Officers, who are already empowered to do physical verification, to frequently visit the godowns to ensure that there is proper management of stocks.
• Godowns shall be clean and tidy to deny access to rodents /snakes etc. and as per prescribed standards.

• Improper maintenance of godowns leads to deterioration in quality and quantity of rice. Hence prompt maintenance.

**Duties and Responsibilities of the APSCSCL:**

• Assess the requirements of Cash credit limit for procurement of paddy and rice;

• Furnish cash flow statements periodically to the RBI through Government;

• Ensure that the stocks of rice/paddy match with the outstanding cash credit;

• Daily monitoring of availability of funds in the districts for procurement of paddy and CMR rice and making available the required funds through on-line transfer.

• There shall be no non-receipt of stocks either under paddy procurement or raw rice procurement for want of funds. VC & MD APSCSCL shall ensure this.

• Proper monitoring of offtake of rice for PDS and other welfare schemes for claiming subsidy from Govt. Of India;

• Prompt Claim of the subsidy from the Govt. of India every quarter as per the provisional costing sheet - initially at 90% and subsequently at 95% as per the DCP scheme;

• Audited accounts to be furnished to get the balance 5%; Subsidy requirement from the State Govt. (the difference between the GOI’s rate - Re.1 per kg) to be worked out every quarter and claimed from the Government;

• The sales realization of rice from the FP Shops at subsidised rate, the subsidy amounts received from the Govt. of India and the State Government to be credited in the cash credit account;
• Periodicals to be obtained from the District Managers on every aspect of the transaction - right from purchase point till the distribution point - including intermediary transactions.

• To ensure quick delivery of CMR and to maintain buffer stocks as incase of FCI, movement of raw rice/ Paddy have to be done with least cost to the corporation.

• Criss- cross movement (movement to another district and getting back from the same district) of rice not to be resorted.

• During the KMS 2018-19, the APSCSCL has to move raw rice through rakes /road and make available in the deficit districts for the PDS and other welfare schemes.

• APSCSCL to be frequently in touch with the FCI for undertaking buffer operations by FCI, delivery of boiled rice godown spaces etc.

• The paddy Procurement Software should be updated to the requirement and for capturing all the details right from PPC to delivery of CMR at the godowns.

• MIS shall be worked out for proper monitoring. District Managers of the APSCSCL shall be responsible for proper quality check, maintenance of stocks and accounts in the godowns, preservation measures.

• The APSCSCL may explore the possibility for appointing third party godown operators for maintenance of stocks.

• Frequent inspections reduce the mismanagement and misappropriations; Dist. Managers of APSCSCL besides RDOs and DSOs to verify periodically to curb the diversions for recycling or shortages; Surprise inspections by officials from the Headquarters of APSCSCL to be done.

• A vigilance wing at the State Headquarters of the APSCSCL to be constituted for surprise inspections or on complaints.
- Timely reconciliation of accounts with the sub-agencies like Velugu (Women Self Help Groups) groups, PACSs, DCMSs, Rythu Mithras etc. to be done for payment of commission due to them.

- Other than farmer payments, all incidentals including transportation should be made only after reconciliation of accounts.

**ROLE OF JOINT COLLECTORS:**

- Joint Collectors as Ex-officio Executive Directors of the APSCSCL to play a pivotal role in implementing the DCP under their guidance, gauze and scrutiny.

- Shall organize publicity through the electronic and print media, posters, leaflets and posters besides tom tom wherever possible about the MSP, specifications, location of purchase centres, time schedule for different areas for delivery of paddy;

- Ensure Positioning of gunnies, suthli, required equipment like Paddy cleaners etc., Deployment of required staff Quality check, acceptance of paddy at the purchase centres, transport fleet for movement of paddy to mills, intermediary storage wherever needed; Funds requirement by the DM, CS Corporation for accepting paddy and CMR rice; and all other related matters to the DCP.

- Shall oversee the functions of the District Managers of APSCSCL on a daily basis and suitably advise them for proper implementation of DCP.

- Shall inspect the purchase centres and the godowns as frequently as possible to ensure that there is no hardship to the farmers, paddy stocks are procured without any hardship to the farmers, quality check is proper, payment is done without delay, stocks are moved to the mills for custom milling, proper accounts are maintained etc.
• The Collectors(CS) with the assistance of DSOs shall map the PPCs with the rice mills and tag the PPCs to rice mills for unloading of paddy without any interruption and monitor the unloading of paddy at the rice mills. Issue appropriate order in case of exigencies of unloading of paddy at the mill point.

• No distress sale should take place in the district.

• The movement of paddy should be optimal to the mills.

• Realisation of CMR within the guidelines.

• Provide necessary assistance of the DMs to DSOs by providing date-wise quantity of paddy unloaded at each rice mill for monitoring of delivery of CMR within the stipulated time and for realizing the CMR rice from the rice millers.

• Joint Collectors shall appoint Joint Custody Officers in the cadre of not less than MRI or DTs for Physical verification of paddy / CMR stocks at designated rice mill points periodically and fix up responsibility to furnish PV reports to the Joint Collectors concerned.

• The Collectors(CS) with the assistance of DSOs and DMs shall monitor on day to day basis the paddy handed over to the mills by APSCSCL and delivery of rice and submit report to the CCS on weekly basis.

• Conduct regular weekly meetings with rice millers for delivery of CMR within the stipulated time.

• Initiate action against the rice millers who fail to deliver the custom milled rice as per the agreement. Check the godowns frequently to ensure proper stacking and maintenance of stocks, issues as per FIFO, proper weighment, maintenance of records, stock verification etc.

• Ensure acquisition of suitable godowns of the private parties for storing the stocks of the APSCSCL if needed by requisitioning them and also by negotiating with the Warehousing Departments for placing the available godowns at the disposal of the APSCSCL.
• Allot lands to the Civil Supplies Department for getting the godowns constructed by the APSCSCL for storing the rice.

**SPECIFIC ROLE OF DISTRICT SUPPLY OFFICER:-**

• Obtain MOU from the designated rice mills along with Bank Gurantees @ 1:1.5 ratio of paddy value before commencement of Khariff 2018-19 and handover the same to DM, CSC to file the same in DM Office.

• Arranging joint custodian officers for each designated rice mill and overall supervision on the field officers and obtain weekly physical reports from each rice mill.

• Identification of rice mills in all divisions for fortification and deliver the same through CMR to the Buffer godowns for earmarking the stocks. Arrange meetings before Joint Collector with MEOs, Rice millers and with DM, CSC to identify the Swarna (MTU 7029) Variety especially in Srikakulam, East Godavari, West Godavari and Krishna.

• Arrange frequent meetings before Joint Collector, Millers Associations, FCI Area Manager, Joint Director of Agriculture, Asst Director, Marketing and District Procurement Committee for smooth functioning of MSP operations and CMR deliveries without any hurdles.

• Not mapping defaulted mills under any circumstances.
• Supervising movement of CMR within time frame.
• Supervision on Millers regarding maintenance of accounts separately Under MSP Gr:A: and MSP Common and identified Swarna variety.

Role of Supervisory Officers

• They should ensure that the paddy is attached only to the Rice Mills which have given Bank Guarantee and MOU.

• They have to cross verify the A & B Registers of the Rice Millers with reference to the truck sheets generated online by the PPCs. If any discrepancy is noticed they should submit detailed report immediately.

• They are responsible for safe custody of the paddy with the rice mill to which paddy is sent for custom milling to avoid damage from rain etc. till the delivery of custom milled Rice.

• They should ensure timely delivery of custom milled rice as per rules to the APSCSC Ltd. / FCI.

• They should ensure that the rice millers who were supplied paddy for custom milling shall commence milling within a week from the date of receipt of the paddy and deliver resultant raw rice to the AP State Civil Supplies Corporation Ltd., / FCI within 15 days, without fail, failing which action should be initiated under the provisions of A.P. Rice Procurement (Levy) Order, 1984.

GUNNIES

• The DMs should regulate the issue of gunnies to the PPCs for filling of paddy and gunnies shall be released proportionately to the paddy arrivals in the respective PPCs under proper acknowledgement. Proper gunny account shall be maintained at all the DMOs with regard to receipts, issues and closing balances. However a software package is developed by HO in consultation with the TCS and necessary entries shall be made online accordingly.
• The PPCs will render account of gunnies to the DMO concerned after completion of paddy procurement operations.

• The DMs and AMs (Tech.) shall ensure the quality parameters of new gunnies received from the Jute Mills while unloading at good sheds/godowns.

**PADDY TRANSPORTATION:**

• Earlier the District Procurement Committees (DPCs) are calling for tenders for discovering the market price of transportation. With this system in many districts disputes arose between transport contractors, the rice millers and the farmers, who actually transported the paddy. To avoid such disputes, it has been decided to dispense with the tendering system to find out the market price. Instead of that, the District Collector (CS) along with the District Procurement Committees (DPCs) shall fix the transport rates in consultation with the District Transport Authority (DTA), local lorry owners associations and rice millers associations. The price arrived at previous KMS can be taken as a benchmark price. The paddy transport distance slabs of 0-8 kms less and beyond 8 kms will be issued as per the guidelines in vogue.

• As per the convenience and availability of transport vehicles, either the rice millers or the farmers can transport the paddy from PPCs to the rice mills. In the case of non availability, the transportation can be entrusted to any agency with the price fixed by the DPC. Such arrangements should to made much before the commencement of the procurement season. The PPCs should maintain a truthful record of the vehicles engaged and the details of ownership which should be reflected in the truck chits generated online. The payments for paddy transportation should be made on monthly basis.

• In nutshell, at a price determined by the DPC, whoever transports the paddy from PPCs are eligible for paddy transport charges.

• In case the mandi labourers are engaged by the truck operators for handling of paddy at PPCs and its shifting to the designated rice mills for custom milling, the mandi labour charges as per GOI Provisional Cost Sheet shall be passed on to the labourers engaged by them. Otherwise, the above
handling of paddy is the responsibility of the PPCs.

INTER DISTRICT TRANSPORTATION OF PADDY

The paddy purchased in surplus district shall be moved to the deficit districts for custom milling as the millers of non paddy grown area have come forward to bear 33% of transportation charges voluntarily.

On the representation of the Rice Millers’ Associations of the deficit districts like Chittoor, Kadapa, Kurnool, Ananthapuramu etc., a decision to be taken to allot MSP paddy from surplus districts to deficit districts for custom milling for consumption resultant CMR in the deficit districts under PDS to minimize the expenditure on transport cost avoiding transportation of Rice from buffer godowns of surplus districts to a considerable extent.

The JC & EOEDs of the surplus districts are authorized to allot the MSP paddy accordingly by earmarking the PPCs to the rice millers of deficit districts during KMS 2018-19 (Both Kharif & Rabi).

The JC & EOEDs of deficit districts have to coordinate with the JC & EOEDs of surplus districts for regulating the paddy transportation to their respective districts for custom milling and for PDS distribution.

The CMR rice deliveries in such districts will be utilized under PDS as per their requirement.

The District Administration, DSOs & DMs of non paddy procurement districts (deficit district) shall designate the mills for receipt of paddy for custom milling as per the milling capacity and monitor the paddy arrivals in their respective districts from surplus districts. Such lists of designate mills shall be communicated to the DMs concerned of the surplus districts to have control upon the paddy movement.

The millers of non paddy procurement districts also shall furnish the Bank Guarantee as stipulated in the guidelines to their respective DMs, APSCSCL.
• The millers should invariably be furnished the details of paddy receipts to the DSOs and DMs for monitoring of CMR deliveries and its proper storage in the respective districts.

• Confirmation of paddy receipts shall be furnished to the respective District Authorities and the consigner districts.

• Separate accounts should be maintained by the millers for paddy and CMR deliveries and daily report on receipt of paddy and CMR deliveries should be intimated to the respective DSOs & DMs.

• The resultant rice delivered by the millers of the non paddy procurement areas shall be utilized for PDS as per the monthly requirement from out of the custom milled rice.

• Proper planning shall be drawn for accepting of CMR in the respective districts to avoid Cris Cross movement and intra district movement.

• The DMs APSCSCL of such districts shall identify the Godown space in their respective districts to make the CMR available in all over the district.

• Wherever possible the DMs should prefer all the MLS points for accepting of CMR to the extent of storage capacity and turnover of the stocks secondly CWC/ SWC/ investor godowns/ private hired godowns (scientific) for storage of buffer stocks.

• The DMs of surplus paddy districts shall dispatch the paddy to the deficit districts parallel to the transportation of paddy in their respective districts. Separate account shall be maintained for inter district movement of paddy with all details.

• APSCSCL shall also appoint transport contactors for inter district movement of paddy from surplus districts to deficit districts for custom milling.

• Such dispatch of paddy stocks shall be reconciled with reference to the receipt particulars of recipient districts.
CUSTOM MILLING OF PADDY:

- The District Managers of Paddy Procuring districts shall obtain a list of designated rice mills in consultation with the Collectors (CS) and the formalities viz., bank guarantee, agreement with the designated rice millers shall be completed well in advance prior to commencement of KMS 2018-19.

- The allocation of paddy shall be made proportionate to the milling capacity of the designated rice mill as disproportionate allocations of paddy may lead to misappropriation and also verify the track record of the rice mill. A meeting with rice millers associations shall be convened prior to allocations for coordination to regulate the system.

- The District rice millers associations shall be taken into consideration while allocation of paddy for custom milling to fix up responsibility on the respective associations to avoid misappropriation and delay in CMR delivery.

- Agreements with the designated Rice Millers and MoU with Rice Millers Association to be entered into by the Dist. Managers of the APSCSCL and it will be uniform and the model will be communicated.

- **A detailed agreement between the miller and the District Manager, APSCSCL concerned shall be executed for kharif and Rabi seasons separately with specific terms & conditions.**

- **Milling capacity based on Rubber Sheller shall be finalized before entering the agreement with miller**

- **Paddy allotment shall not exceed the milling capacity.**

- **Agreement shall be executed well before allotment of the Govt. paddy, after fixing the milling capacity and obtaining bank guarantee.**
• After allotment the miller shall maintain the Govt. stock of paddy/CMR in safe custody and should show to the inspecting officials at any point of time during the visit to the mill.

• If any shortage in stocks is found, the miller is liable to pay one and half time (1 ½) the value of stock in shortage and also liable for criminal action under section 405, 420 of IPC, etc. for criminal breach of trust and misappropriation of Govt. stocks. The BG furnished by the millers shall be invoked and en-cashed towards recovery of the value of the stocks.

• If the miller fails to mill the paddy within one week from the date of receipt to paddy, further allotment of paddy shall not be made to such miller.

• Bank guarantee towards security for the value of paddy delivered to be obtained @ 1:1.5 ratio of paddy value to recover the value in case of any defaulter as per the instructions of GOI from the recipient miller. The value of the BG shall depend upon the milling capacity. Paddy shall be released to the extent of the value of bank guarantee furnished by the individual rice miller. It is the responsibility of the District Managers to maintain the validity period of bank guarantees obtained and confirmation from the concerned banks. The bank guarantee period limit is observed minimum 9 months with extended period of 3 months total up to one year.

• Every rice miller to whom paddy is delivered by the State Corporation or its agencies shall do custom milling of paddy and deliver rice as per the out turn ratio fixed to the State Corporation / Food Corporation of India as ordered by the State Corporation from time to time.

• Provided that for custom milling of paddy, the rice millers shall be paid the milling charges as per the charges prescribed by GoI.

• Monitoring of the stocks of paddy issued for custom milling, custom milled rice to be delivered as per the ratio fixed (@67% for raw and 68% for boiled rice), rice delivered to the CS Corporation (Raw rice) or to the FCI (boiled rice) on
behalf of the Civil Supplies Corporation to be done daily by the District Manager concerned at district level and VC & MD., APSCSCL at Headquarters.

- Milling of paddy shall commence within a week from the date and time of receipt and shall and deliver the resultant rice, within 15 days or the time specified from the date of receipt of paddy by the District Managers concerned. The frequency of CMR deliveries should strictly be watched keeping in view of bank guarantee and the flow of paddy issues should be consistent to the quantity prescribed against bank guarantee. For this purpose escort officers should be appointed and follow up should be done closely.

- The Government or Commissioner of Civil Supplies or District Collector, may direct any rice miller to convert within (15) days or the time specified, any stock of paddy into rice on behalf of the Government or its agencies viz; Food Corporation of India, A.P. State Civil Supplies Corporation Ltd., A.P. Markfed or any State Corporation on such terms and conditions stipulated from time to time by the State Government. If any miller fails to comply with this direction, he should be liable for imposition of penalty @ 1.5 times CMR cost along with interest as per the agreement entered into by the State Corporation and Rice millers for doing custom milling operation.

- The Custom milled rice to be delivered to the Food Corporation / State Corporation, as the case may be, shall conform to the specifications of rice for fair average quality as prescribed in Schedule-II and shall not contain refractions beyond the rejection limit and in case any stock of CMR offered for delivery does not conform to such specifications, it shall be reconditioned or rectified by the miller or the dealer as the case may be, before being so offered so as to bring it in conformity with such specifications.

- The miller has to deliver the CMR same grade and variety of the paddy received from PPCs. In case, the miller fails to deliver specified variety under CMR i.e., common variety instead of Grade-A variety, a penalty of 20% of MSP shall be imposed in addition to collecting the differential cost of Grade variation in advance through Demand Draft. However, such cases should be restricted
to bear minimum in the exigencies of natural calamities etc.

- The Collectors (CS), DSO, DM-CSC and other enforcement staff working in Civil Supplies ordered by District Administration are held responsible for non-receipt of CMR in time.

- The paddy issued to the millers for custom milling should be stored in hygienic conditions and in countable manner by the millers to facilitate for inspections by officials authorized.

- Every designated rice mill should contain a display board prescribing that "this rice mill is designated for custom milling of Govt. paddy on behalf of APSCSCL and stocks of paddy, rice and other by-products shall not be pledged by any Financial Institutions for release of loans. By Order-District Collector"

- District Manager and DSO/ASO concerned to be held responsible for non-receipt of CMR rice on time.

- Rice millers are entitled for milling charges, custody and maintenance charges, Driage etc., as prescribed by GOI and as per eligibility. The DMs shall send proposals to the Head Office seeking to release the respective amounts, season wise.

- Every miller shall maintain and submit online true accounts indicating the total transactions right from receipt of paddy, paddy milled; CMR delivered and balance stocks available at the end of the day in Form-A1 and A2.

- Every miller shall maintain separate account or the stock of paddy purchased on his own account, paddy milled, rice produced, sold within or outside state etc., in Form-B. He shall furnish fortnightly abstract of the accounts for the periods ending on 15th and the last date of every calendar month to the Collector exercising jurisdiction in the area.

- No rice miller shall undertake custom milling of paddy of his own /persons other than Govt. agencies when CMR delivery is pending to APSCSCL / FCI.
WAREHOUSING AGENCIES:

- The godown managers should follow the FIFO while issuing the stocks only after quality inspections done by the district officers and Head Office after clearance.

- Digital keys should be provided to all the Warehouse Managers of acceptance points for acknowledgement of CMR.

- SWC, CWC, Marketing Department etc. to consider allotting the godowns available/to be vacated/to be constructed to the APSCSCL in preference to others. SWC may also take over private godowns and place at the disposal of the APSCSCL as is being done at present for the FCI.

- Wherever their godowns are used as buffer godowns, the custody and maintenance to be done by them as is being done at present for the FCI.

- Curative and prophylactic treatments should be given to the stocks periodically to keep the stocks free from infestation.

Trainings imparted by the experts to the staff of the APSCSCL:

- Trainings given by the experts to the APSCSCL staff in respect of quality checks, maintenance of godowns, preservation of stocks etc. to be followed mutatis mutandis.

- Operational manual for godown maintenance to be followed by the staff in charge of the godown maintenance.

COMPLAINT CELL AND REDRESSAL MECHANISM:

- Control rooms to be opened in every district and a toll free telephone to be operative in the Dist. Manager's office from 8.00 am. to 8.00 pm. A senior officer shall be in charge of the complaint cell to attend to the complaints immediately and redress them.

- Toll free Telephones with number 1967 is functioning in the Commissionerate of Civil Supplies. Dy. Director (Procurement) will be in charge for monitoring the
complaints, bringing to the notice of the CCS or the CS Corporation and to send them to districts for Redressal.

- The telephone numbers at the districts and the Commissioner's office to be notified by the APSCSCL to enable farmers, millers and others to make complaints or suggestions etc. The names, designations and the telephone numbers of the officers in charge of the Complaint Cell shall be notified.

- Complaints received to be attended on priority and the grievances of the complainant to be redressed without loss of time.

B. RAJSEKHAR
E.O. PRINCIPAL SECRETARY TO GOVERNMENT
